Ofsted Parent View

Parent View gives you the chance to tell us what you think about your child's school.

Parent View asks for your opinion on 12 aspects of your child's school, from dealing with bullying and poor behaviour. If your child is at a boarding school, we also ask for your opinion on five aspects of your child's boarding or welfare. Your views will be used to provide when making decisions about which schools to inspect, and to help us improve our work.

When inspecting education in independent schools, we recommend that you do not inspect a school in your own place but inspect at the request of the DfE.

By sharing your views, you'll be helping your child's school to improve. You can also see what other parents have said about your child's school. Or, if you are a parent of a child at a school in England.
