Making a referral

Referring into Clarence High School is a clear

At Nugent one of our key values is integrity. We want to ensure that people, their families have an open and transparent dialogue to ensure care services are the best choice for the young person. Please, contact us and we would be happy to show you what we provide for the young person.

For the local authorities who look to place young people with us, and the high regulator expectations we want to ensure that we are providing a service that demonstrate added value.

Our reputation is strong

With a well-established reputation as a provider of choice in specialist services, Nugent works closely with commissioners to guarantee the feedback of the individual's progression throughout each stage of their care collaboratively with commissioners to agree anticipated lengths of care and maintain good communication with the referring team throughout their care with us.

Our services are delivered in partnership with the NHS and local authorities to providing a transparent and rapid referral process which ensures that the services most appropriate to their individual needs.

Fees and funding for Clarence High School

Local authorities, social services, education departments and health services are involved in referring young people into our school, and also for paying their fees. We are also involved in the arrangement of provision and are welcome to visit our care first hand.

Our transparent pricing structures ensure that fees are matched to the individual. Guaranteed fee reductions ensure that as children and young people become more independent, their fees will reduce accordingly.

Flexible payment, fee levels and discounts

- Clarence High School offers flexible pricing plans which are simple, transparent and efficient process for commissioners.
- We offer a range of fee levels designed to reflect the intensity of service user.
- Personalised pathways and transition plans to minimise costs.
- Discounts are available for length of placement, quantity of placements and on spend.
