Snow and Bad Weather

In the event of bad weather it is always the school's priority to ensure that the site is both accessible and safe.

There are however rare instances where the school might not be able to open due to severe weather. In such instances any changes to the usual opening times will be communicated on the school website, there is also a phone and text message service so that carers know if the school is closed due to bad weather.

Where no updates have been provided parents/ carers should assume that the school is open as normal.

Given the event of bad weather the school advises all pupils, staff and visitors to dress appropriately and wear sensible footwear.
